

ETAMAX ESPERANZA

25TH, 26TH, 27TH FEBRUARY

ABOUT US

As Engineering aspirants, we have been well taught about Newton's laws of motion. One being, "a body continues to remain in inertia till an external force acts on it." ETAMAX is that external force that will push students into a world of excitement and opportunity. A platform around the interest of students to express talent and sharpen skills. Aware of the ongoing pandemic, we have experienced a paradigm shift and are adapting to it. Certain changes may have been tedious, however fruitful. We hope, ETAMAX 2021, that comes with its transforms, flourishes and leaves a mark. Our goal is to make sure we are able to reach each and every student. We, The Council of 2021, hope to overcome the barriers so as to satisfy the zest of our fellow students.

OUR THEME-ESPERANZA

(etymology- Spanish for HOPE)

In the magnitude of being held like clouds, containing great potential, ETAMAX ESPERANZA lets you wring out the rain of potential. It's your choice to let these drops fall, like pearls in the spotlight provided so as to experience a rainbow of mysteries unfolding. The outcomes too many to be a part of something mediocre, will unite to form a choir of brotherhood singing a harmony of hope to those in darkness. A bond created through a broadband, to enlighten lives, depicting humanitarian strength and brotherhood. Giving masses, the joy of being a part of something hopeful, in times of distress. Let us brighten our world with smiles that soar with hope in the wonder of new glorious beginnings.

Confinement is subjective and can have two sides. We have been in a cavalcade of misfortunes and catastrophes. The lens through which we perceive the world is possibly blurred and smudged with prints of these events, portraying an ambiguous picture of what lies in store. We have been captives of our monotony, imprisoned by idleness and moreover, enslaved by the jargon of boredom. While anticipating the zag, when everything is zig, the council is to your rescue.

ESPERANZA: OUR CAUSE

Tis' hope gives us humans a purpose to live, a motive to look forward to another day. When hope is lost, life is bland yet bitter. With our theme, ESPERANZA, the unscathed wish to offer moments of sunrise to those in darkness. We want to point towards the silver lining that is somewhere within our sight. Through this fest, we want to convey a simple yet effective message by creating a montage of the victims and their families of FCRIT. We want to make sure people find their way into a savoury life, in spite of the forfeiture. We offer not just our condolences and heartfelt warmth, but also immense support to the affected. We salute the bravery and also commendable positivity to keep life on track.

MESSAGE FOR THE PARTICIPANTS

Gearing up is a part of the preparation and this brochure is just what you need to polish your ammo and head to battle. Among a variety of opportunities, we have readied an enchanting set of competitions and workshops. Brush up on your creativity and intellect; express yourselves to the horizons of your potential.

The online platform, something that is the current trend, may be frowned upon. We are with you here, as much displeasure it oozes, it is the only hope of the time. And rest assured, for we have this three day madness all planned out just for you to have a blast to your heart's content. A platform to flaunt your breath-taking skills and an arena of magnificent talent to be awed by, it all finally simmers down to just an excuse to have boundless fun!

So sit tight in your chairs, keep a set of quick eats at your arm's length and get ready for a virtual marathon of frolic and enthusiasm. Everyone say "YESperanza!!!"

HIGHLIGHTS OF ETAMAX
